

# The Mysteries of Creation and The Mysteries of Eden

**One day Workshop with Dr Rocco Errico**  
renowned Bible scholar and expert in the Aramaic language.  
**Saturday, March 28 from 10:00am to 3:00pm.**

"**THE MYSTERIES OF CREATION: The Genesis Story**" is based on Dr. Errico's own translation of the Genesis creation narrative directly from the ancient Aramaic Peshitta text. Broaden your understanding of and become familiar with the roots of your past. Learn how the biblical creation narrative defines who and what we are, our social status, and our unique role within the cosmos.

"**THE MYSTERIES OF EDEN: What Really Happened in Eden**"

For thousands of years the narrative of the Garden of Eden has brought much sorrow, guilt, and misunderstanding concerning humankind's early beginnings. Does Eden really exist? What happened between the Edenic couple that brought death into the world? Dr. Errico presents a clear, simple rendering of the Adam and Eve story from the Aramaic/Hebrew languages that unlock the Eden's mysteries and reveals the narrative's practical meaning and application for us in this age.
