

The First Natives

“A exciting look at understanding Native American culture”

TOPIC:

- * Understanding the history of the Native People
- * Where did we come from
- * History and relocation
- * Cross cultural misunderstandings
- * Religion vs. Spirituality

Join Red Hawk on an adventure into the history of the Native Americans as we journey back to the origin of our people and move forward to current issues and struggles today.

You'll discover not only how we view the world through our religion, ceremonies and cultural identity but hopefully discover a little about yourself along the way.
